

6th World Congress of Teledermatology

Royal College of Physicians, London

Friday 14th October

08:30 -09:25 Registration

09:25 Welcome introduction
Saul Halpern
President, International Society of Teledermatology

09:30 – 11:00 **Session 1 Teledermatology in the UK and developed world**

Chairs: Saul Halpern & Paola Pasquali

09:30 O1 Is Teledermatology useful in the UK NHS?
J. English, A. Patel, S. Hughes, C. Lewis, Z. Brindley, N. Lucas

09:45 O2 Oxfordshire Teledermatology Service: A service Evaluation from the Oxford University Hospitals Dermatology Department.
D. Laheru, R. Turner

10:00 O3 UK Teledermatology using national electronic referral pathways (NHS e-Referral); pearls and pitfalls from over 4000 referrals.
C. Charman, Y. Al-Nuaimi, P. Williams, J. Tovey, S. Biddulph

10:15 O4 A twelve year review of a UK teledermatology service.
S. Mehrtens, L. Shall, S. Halpern

10:30 O5 Tertiary teledermatology: E-Nail - A national and international specialist service.
B. Wright, D. DeBerker

10:45 TBC
TBC

11:00 -11:30 Coffee

11:30- 13:00 **Session 2 Teledermatology; evolution, economics & parameters of success**

Chairs: David de Berker & Leonard Witkamp

11:30 What characteristics are common to successful Teledermatology services in the UK?
Dr David de Berker, Bristol Dermatology Centre, Bristol Royal Infirmary, UK

11:45 **Plenary Lecture**
Teledermatology economics
Dr John Whited, Durham Veterans Affairs Medical Center, USA

12:15 10 years of fully reimbursed TD services; what have we learned?
Dr Job van der Heijden, Academic Medical Center (AMC), Netherlands

12:35 TBC
TBC

12:55- 14:00 Lunch

14:00 – 16:00

Session 3 Skin Cancer Triage

Chairs: Veronique Bataille & David Moreno-Ramirez

14:00

Teledermatology, the ultimate tool for delivering high quality care in skin cancer
Dr David Moreno-Ramirez, University Hospital Virgen Macarena, Spain

14:20 O6

Impact of Dermoscopy on routine Teledermatology-based skin cancer triage. Interim results of a randomized study on the effectiveness and diagnostic performance of clinical teledermatology vs dermoscopic teledermatology.

M. Morales-Conde, J. Raya-Maldonado, L. Ferrándiz, A. Corrales, T. Ojeda-Vila, F. José Martín-Gutiérrez, A. Ruíz-De-Casas, R. Galdeano, I. Álvarez-Torralba, F. Sánchez-Ibáñez, J.-M. Domínguez-Del-Toro, F. Encina-Acosta, F.-J. Narbona-Soto, J.-M. Herrerías-Esteban, D. Moreno-Ramírez

14:35 O7

The benefits of teledermoscopy for diagnosis and prioritisation of amelanotic melanomas
J. Callander, C. Mills, C. Llewellyn

14:50 O8

Is teledermatology a useful adjunct to current clinical pathways in our hospital?
L. Fuller, R. Suchak, N. Jasani, M. Khorshid

15:05 O9

An increasing frequency of seborrheic keratosis as consequence of improved early detection of skin cancer through teledermatology. A cross-sectional study on 34,553 teleconsultations.
J. Raya, M. Morales, L. Ferrándiz, D. Moreno

15:20 O10

The management and outcomes of Dermtest Teledermoscopy service in Estonia and Lithuania: A Data Review.
R. Hallik, P. Kruus, U. Loite, H. Lehemets, M. Niin

15:45 O11

An audit of a pilot teledermatology service for the assessment of solitary skin lesions in a tertiary dermatology centre.
C.-M. M. Cheung, K. Muttardi, F. Ismail

16:00 – 16:30

Tea

16:30 – 18:30

Session 4 e – Education

Chairs: Amanda Oakley & Vicky Jolliffe

16:30

Plenary Lecture

DermNet NZ: All about the skin

Prof Amanda Oakley, Waikato Clinical School (Auckland University School of Medicine), New Zealand

17:00

Training GPs in skin cancer recognition using teledermatology
Dr Josep Malvehy, Hospital Clínic de Barcelona, Barcelona

17:20

Blended e-learning in Dermatology; 10 years' experience – pleasures and pitfalls
Dr Vicky Jolliffe, The Royal London Hospital, Queen Mary University London

17:40

YOUdermoscopy app: have fun and train yourself
Dr Aimilios Lallas, Aristotle University of Thessaloniki, Greece

18:00 O12

American Telemedicine Association Teledermatology Guidelines 2016

K. McKoy, N. Antoniotti, A. Armstrong, D. Bernstein, A. Burdick, K. Edison, M. Goldyne, C. Kovarik, J. Kvedar, J. Larkey, I. Lee-Keltner, J. Lipoff, D. Oh, H. Pak, M. Seraly, D. Siegel, T. Trilokraj, J. Whited.

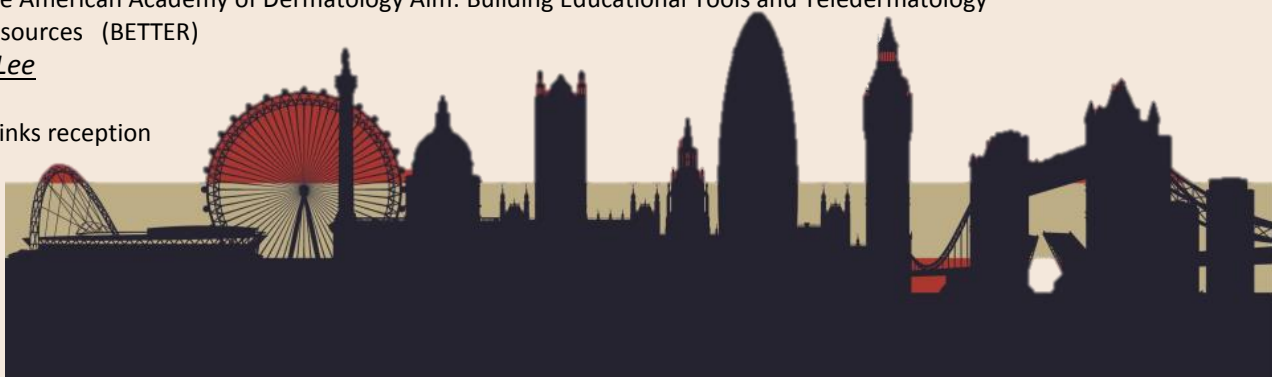

18:15 O13

The American Academy of Dermatology Aim: Building Educational Tools and Teledermatology Resources (BETTER)

I. Lee

18.30 – 19:30

Drinks reception

Saturday 15th October

09:00 – 09:30 ISTD AGM

09:30 – 10:55 **Session 5 Mobile Tele dermatology**

Chairs: Josep Malvehy, James Britton

09:30 Enhanced skin self-examination utilizing mobile teledermoscopy - via videolink
Prof Peter Soyer, School of Medicine, Faculty of Medicine and Biomedical Sciences, The University of Queensland, Australia

09:50 Mobile is here to stay – for better or for worse
Prof Amanda Oakley, Waikato Clinical School (Auckland University School of Medicine), New Zealand

10:10 O14 A review of smartphone Tele dermatology
H. Alexander, S. Halpern

10:25 MySkinSelfie- development of a free app for skin self-monitoring
Dr Phillip Hampton, Royal Victoria Infirmary, Newcastle upon Tyne

10:40 Direct to consumer tele dermatology – 2015 : Observations from the FirstDerm TD platform
Dr Alexander Börve, Sahlgrenska Academy, University of Gothenburg, Sweden and First Derm

10:55 – 11:15 Coffee

11:15 – 13:30 **Session 6 TD in remote locations and developing countries**

Chairs: Carrie Kovarik, Jayakar Thomas

11:15 **Plenary Lecture**
Expanding access to care globally through the use of Tele dermatology
Prof Carrie Kovarik, University of Pennsylvania, USA

11:35 O15 4 Years at Sea with University of Miami Tele dermatology
A. Burdick, J. Herrera-Perdigon NP

11:50 O16 Tele-Derm National: Ten years of store-and-forward tele dermatology for rural and remote Australia
S. Andrews, L. Byrom, V. Sheedy, L. Lucas, J. Muir

12:05 O17 Accuracy of Diagnosis and Treatment Plans in Tele dermatology: A Pilot Study
H. Mehdizadeh, N. Esmaili

12:20 O18 Feasibility of Tele dermatology in the Eradication of Leishmaniasis from Yemen Project
M. Al-Kamel

12:35 O19 A model for implementing tele dermatology in remote elder care facilities in Sri Lanka
S. Singh, T. Tejasvi

12:50 O20 Application and study of the effectiveness of skin tumors remote diagnostics in Ukraine
K. Kravets, O. Bogomolets

13:05 O21 Tele dermatology and Community Dermatology, A New Approach
R. Estrada, G. Chavez-Lopez, G. Estrada-Chavez

13:20 O22 Tele dermatology in Nigeria: The challenges
N. Ajaero

13:35 – 14:35 Lunch

14:35 – 16:05 **Session 7 Teledermoscopy and Telepathology**

Chairs: Jonathan Bowling, Aimilios Lallas

14:35 – 14:55 Teledermoscopy in practice; crossing the innovation chasm
Dr Jonathan Bowling, The Manor Hospital, Oxford & Dermoscopy UK Ltd

14:55 O23 Teledermatopathology – an extension of Teledermatology in practice, education and research
R. Singh

15:10 O24 A novel mole scanning service in community pharmacies
R. L. S. Kjome, D. J. Wright, A. –K. B. Bjaalen, K. W. Garstad, D. Smart, M. Valeur

15:25 O25 Teledermoscopy for teledermatology
T. Tejasvi, S. Singh, A. Meka, G. Ngyuen

15:40 – 16:00 **Final Questions & closing Remarks**
